ZÁPOR MINULÉHO ČASU PRŮBĚHOVÉHO (AJ-09-16)

- minulý čas průběhový se používá pro děje, které se staly v minulosti a probíhaly nějakou dobu
- tvoří se pomocným slovesem **TO BE** v minulém čase (v dané osobě) + sloveso s koncovkou **-ing**
- zápor se tvoří přidáním „záporky“ **NOT** ke slovesu

Například: I **was flying** above the village. (Letěl jsem nad vesnicí.)

—————> I was not/ **wasn't** flying above the village. (Neletěl jsem nad vesnicí.)

Dané věty v minulém čase průběhovém převed' do záporu.

Vzor: I **was feeding** my dog. —————> I **wasn't feeding** my dog.
